PETITIONING THE COURT

To modify the conditions of supervision by removing Special Condition 5:

5. The defendant shall not apply for, nor enter into, any loan or other credit transaction without the approval of the probation officer.

CAUSE

Mr. Bell commenced supervised release on June 6, 2021, and was subject to a credit query through Equifax on January 10, 2022. There were no anomalies or issues of concerns noted during credit review. Mr. Bell has satisfied his monetary penalty imposed by the Court and has demonstrated his ability to manage his funds appropriately; therefore, it is respectfully recommended his conditions of supervised release be modified by removing the restriction he must seek approval of the probation officer before opening new loans or lines of credit. The condition is not needed to effectively supervise Mr. Bell in the community.

He currently resides with his mother in Grand Rapids, Michigan and is employed full-time with the City of Grand Rapids.

Previous Violations

None.

U.S. Probation Officer Action:

A Probation Form 49, Waiver of Hearing to Modify Conditions of Probation/Supervised Release, was not executed as the modification is less restrictive.
